

## **Advanced Reading Challenge Guidelines: K - 2<sup>nd</sup> Grade**

1. The Challenge runs from October 24<sup>th</sup>, 2010 to April 30<sup>th</sup>, 2012.
2. Everyone should strive to read 25 books and complete 25 responses by the end of the challenge. All students who reach this goal will get a very special reward.
3. You must read books from the list and must complete a response for each book read. You will need to keep a portfolio with the titles of books read, projects for each book, and a signature page (parents or teachers may sign that you completed each book and project).
4. Each time a book and report are completed, please let your teacher know so that you can add a book to the Advanced Reading Challenge board. Each time 5 books are read and responses are completed, you will be entered to win a prize.

**Please go to our website at [iamableton.com](http://iamableton.com) and print out a packet for your grade level.**

# Advanced Reading Challenge Student Commitment Form

Purpose: The goal of the Star Reader Challenge is to encourage students to read a variety of books inside and outside of the school setting, and to help students understand the elements of stories.

Student Responsibility: I challenge myself to read 30 picture or 15 chapter books this year, to enjoy reading and to encourage my friends to read too! I will also complete a short report about each book after reading and will ask for help if I need it.
