

Carpool Etiquette

Parents, in order to ensure an expedient and safe dismissal, please adhere to the following protocol when picking up your child.

- *No cell phone use during car pool*
- *State your child's name and grade clearly*
- *Remain as close to the curb as possible so we can keep 2 lanes freely moving*
- *Pull your car up to the 1st available space to pick; this may not be the front door*
- *Do not hold conferences in carpool; please pull over if you need to speak with a staff member*
- *Follow directives of the staff on duty*
